Oldham County Courthouse Square

La Grange

The La Grange Avenue Flags

The U.S. flags which fly in La Grange from Memorial Day until Veterans Day each year are a tribute in memory of Oldham County Veterans who have made the ultimate sacrifice for their country. Each flag represents one of these heroes. The names of these Fallen Heroes are read at this ceremony each year. This tribute is a joint effort of the City of La Grange and Oldham County Post #39 of The American Legion.
